Course Description

Aims and Objectives

This course offers a comprehensive examination of European identity, citizenship, and values, tailored for adults seeking a deeper understanding of European citizenship. Participants will engage in thought-provoking activities and practical experiences to connect with the diverse tapestry of European cultures. The focus is on navigating the complexities of shared values while celebrating diversity, fostering a sense of unity, and promoting active citizenship.

Objectives:

- Examine the concept of European identity and its dynamic evolution.
- Cultivate a strong sense of European citizenship anchored in shared values.
- Encourage active participation in shaping a collective European future.
- Foster nuanced intercultural understanding and appreciation among participants.

Learning Outcomes

By the end of this course, participants should gain:

1. Deeper insights into the diverse cultural heritage of Europe.
2. Understanding of the historical development of European identity.
3. Enhanced awareness of shared European values and citizenship responsibilities.
4. Practical skills for active civic engagement and cross-cultural communication.

Daily Program

**subject to small adaptations, upon availability*

Day 1: Introduction to European Identity

- Welcome and Ice-breaking and activities.
- Overview of the course objectives and expectations.
- Interactive session on personal introductions and expectations.
- Lecture: Evolution of European Identity.
- Group discussion on individual perceptions of European identity.
- Cultural activities.

Day 2: Exploring Cultural Heritage

- Virtual tour of a European museum or historical site.
- Workshop: Interactive storytelling on historical narratives.
- Reflection and group discussion on the importance of cultural heritage.
- Cultural exchange activity: Participants share cultural elements from their backgrounds.
- Mobility Activity: European Values Café

Day 3: EuroTrip Project

- Introduction to the EuroTrip project.
- Virtual (or physical) exploration of European cultural landmarks.
